

LOVE YOUR PARKS

9-16 SEPT 2012 CONSERVATIONWEEK.ORG.NZ

Karioi Bushcraft and Trapping

Improve your bush skills and knowledge about protecting native species.

Meet Karioi volunteers and supporters, learn from Department of Conservation staff and gain hands on experience of:

- Behavioural patterns of pest animals
- Pest control methods
- Personal safety at remote sites
- Rope skills on steep slopes
- Bush skills

Saturday 15 September

9.30am-12.30pm

Town Hall, Bow Street, Raglan

Morning tea provided.

Bring a plate of food for a shared lunch.

For more information & to register, contact

WEC - envirocentre@whaingaroa.org.nz

or phone 07 825 0480

Sunday 16 September, 9.00am

Karioi trap deployment

Help increase Karioi's native biodiversity -
deploy a stoat trap on the mountain.

Reasonable level of fitness required.
